

RELEASE AND ASSUMPTION OF RISK
PLEASE READ, SIGN & DATE (Page 2) AND RETURN
(VENDORS WILL NOT BE ADMITTED WITHOUT SIGNED FORM ON FILE)

The risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and guests with underlying medical conditions are especially vulnerable.

When selling at the Sacramento Antique Faire, you voluntarily waive all claims and assume all risks related to exposure to COVID-19 while participating in the Faire, and agree to indemnify and hold harmless the Sacramento Antique Faire, the City of Sacramento, and the State of California, their respective boards, officers, employees, and sub-contractors against any and all claims and causes of action related to COVID-19 exposure.

You also agree in consideration of the opportunity to enter and sell goods at the Faire to follow the COVID-19 Mitigation Plan set forth below. Compliance with these rules is mandatory for all vendors in attendance so as to meet the safety guidelines suggested by the State of California and the County of Sacramento Departments of Public Health as well as those of the Center for Disease Control and Prevention.
